School Description

South Ranchito Dual Language Academy is located in Pico Rivera, California and has been a landmark in the Pico Rivera community for many years. Demographic information for South Ranchito Dual Language Academy consists of 539 students enrolled, which 87% are from a low socioeconomic status. The school has a population of 41% English learners. Of the 495 students enrolled at South Ranchito, 488 are Hispanic or Latino.

Our classes consist of general education classrooms, Dual Language immersion classrooms, and our Transitional Kindergarten class, and we also have three Autism Focus classes servicing students in K-5. South Ranchito Dual Language Academy offers a strong curriculum focused on the California Common Core State Standards. Reading, English Language Development, Writing, Mathematics, Science, Social Studies, and physical education provide the foundation for student success. We implement Project-Based Learning to enrich 21st Century Skills.

School Mission Statement

The mission of South Ranchito Dual Language Academy, in partnership with the community, is to provide a quality education that encourages creative and critical thinking in a supportive environment. We are committed to providing an enriched curriculum with high expectations for all students which emphasizes the skills, concepts and processes necessary for the technological and cultural challenges of the 21st century. Our commitment is to prepare students to be productive citizens and lifelong learners in a culturally diverse and a technologically advanced society.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web
 page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

South Ranchito Dual Language Academy is a closed campus. Visitors must report to the main office to sign-in, show I.D., and obtain a visitor's pass. Additionally, visitors must sign-out in our office log. The most recent Facility Inspection Tool (FIT) data indicates the school is clean and well kept. Our school overall rating on the FIT report is "good." An overall rating of good signifies the school is maintained in good repair with a number of non-critical deficiencies noted.

Parent volunteers assist in the daily morning drop off zone area to improve safety and the traffic flow on the main street (Passons Blvd.). In November 1, 2017 our Innovation Lab opened for students to create, design, innovate and learn. The Innovation Lab is a maker space and STEM lab all in one where coding, robotics, and Project Based Learning takes place.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
Subject	Sch	ool	Dist	District		ite
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	25.0	39.0	40.0	42.0	48.0	50.0
Math	14.0	24.0	26.0	26.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

South Ranchito Dual Language Academy has a strong group of parent volunteers and community business supporters. Parent volunteers help teachers prepare classroom materials, assist in the classroom, and in various school functions. The Parent-Teacher Organization (PTO) is actively involved in fundraising for field trips and recognizing students for their academic achievements. PTO host fundraising events such as the Scholastic Book Fair, Popcorn Sale, and Movie Night that help raise funds for students.

School Site Council (SSC) and ELAC (English Learners Advisory Committee), our parent advisory groups, provide recommendations and suggestions to the principal in regards to the school's instructional program. Members of these groups which include teachers, parents, and classified employees, work with the principal to develop, review and evaluate school improvement programs and school budgets. The members of these committees are elected by their peers.

Parents are encouraged to be partners in the education of their child. Our Digital Learning Coach (DLC) facilitates parent workshops through School Smarts. Parents have the opportunity to participate in a series of workshops focusing on anti-bullying and PBIS. The Digital Learning Coach also offers tiered computer classes, so that parents have access and can utilize the school and district websites as a resource for information as well as assist with their child's education and support the development of 21st Century skills.

For more information on how to become involved at the school, please contact PTO Representative Ms. Monica Hernandez at (562) 801-7660.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The School Safety Plan (SSP) was reviewed and updated in November 2018 by our school's Safety Committee comprised of a group of teachers. The Safety Committee update the staff roster and duties, take inventory of safety supplies both in the classroom and in our district bin. Also, the Safety Committee assist the principal in assigning teachers to specific duties, and plan our drills on our yearly school staff calendar. The SSP includes procedures for emergency situations, such as fire, earthquakes, and lockdown procedures. Our district was the recipient of the Readiness and Emergency Management for Schools Grant. The extent of our training is very comprehensive.

Staff members have been assigned specific roles during emergency procedures. We have monthly earthquake and fire drills (announced and unannounced) at various times during the school day. Each classroom has a backpack with emergency supplies.

Our school implements a closed-campus policy before the school day begins. School gates remain locked during school hours. All visitors must report to the main office and are to follow procedures as directed by office staff. Students are supervised at all times, including recess and lunch.

Professional Development provided for Teachers

The El Rancho Unified School District provides professional development programs that provide a wide range of professional growth and support opportunities to serve the needs of teachers/staff at all learning stages:

- Beginning Teachers Support and Assessment (BTSA) program as approved by the State of California which provides experienced mentor support for all new teachers earning their California Clear Credential
- Peer Assistance Review (PAR) program for veteran teachers which provides seminars and individual coaching for teachers refreshing their skills and learning new strategies
- Certificated and Staff Training
- Site Administrator Training
- Buck Institute for Education Project-Based Learning (PBL)
- Digital Learning Coaches
- Go Math!
- Benchmark Advance
- Iluminate

We dedicate three full days and approximately 18 half days toward professional development at our school sites per year. The topics addressed at our trainings are based on teachers' need assessment surveys, student assessment data analysis, and district and school wide action plans. Our intern teachers are supported by university supervisors. Professional development at individual school sites are determined by the instructional focus. English Learner and special population trainings are offered on site as needed. In addition, teachers also attend off-site workshops or conferences.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

The following programs and services are available in the district to support and assist students:

- After School Tutoring
- Saturday School
- English Learner Literacy Support Class (ELLSC)
- Extended Day Kindergarten
- Transitional Kindergarten
- Advancement Via Individual Determination (AVID)
- Language Arts, Mathematics, Science, and Visual and Performing Arts Curriculum Councils
- Technology

- Project Lead the Way (PLTW)
- Positive Behavioral Interventions and Supports (PBIS)

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
