2022-23 School Overview

The STEAM Academy at Burke - Mission Statement:

Our mission at the STEAM Academy @ Burke is to prepare ALL students to succeed in a changing global society by developing effective communicators, problem solvers, critical thinkers, and responsible members of society who are uniquely prepared to thrive in the 21st century. To foster our goal of developing students who are well-prepared to thrive in a changing global society, STEAM Academy @ Burke staff will provide an engaging, meaningful, and technology rich curriculum, as well as a positive and safe learning environment.

School Description:

The STEAM Academy @ Burke serves the community of Pico Rivera, California, where many teachers and classified staff grew up and/or currently reside. We have an attractive campus that meets the needs of students and staff. The STEAM Academy @ Burke serves approximately 600 sixth through eighth grade students, with 26 full time teachers, 2 counselors, and 30 support staff. We are the first magnet middle school within the El Rancho Unified School District. Our school was created to offer students a unique educational program designed to engage students in the learning process and help them develop the necessary skills to be college and career ready. Middle school is a time of transition for parents and students; it is a time of growth, change, and challenges. We want to assure you that our experienced staff is here to work alongside you to insure that your son or daughter takes full advantage of his or her educational opportunities.

STEAM - Science, Technology, Engineering, Arts and Mathematics - is the broad umbrella for how the curriculum in this new and innovative program is organized. Students will tackle middle school concepts while incorporating the 4 Cs of 21st Century learning – critical thinking, communication, collaboration, and creativity. Our magnet program supports and supplements the Common Core Standards, providing a common lens through which children master knowledge while interdisciplinary teaching enables students to make important and long lasting connections across content areas. Teachers work in teams to design and develop lessons centered around Project Based Learning, a teaching method in which students gain content knowledge and skills by working for an extended period of time to investigate and respond to a complex question, problem, or challenge. In addition, students are offered a wide range of electives that fall under the broad umbrella of STEAM. Educators at the STEAM Academy feel that it is essential to prepare our middle school students for high school, college, and career. We implement the AVID college readiness program to help students develop the skills needed to succeed in high school and college. Because

2022-23 School Overview

this program places special emphasis on growing writing, critical thinking, teamwork, organization and reading skills, it aligns with our school vision and mission.

About this School

2021-22 Student Enrollment by Grade LevelGrade LevelNumber of StudentsGrade 6168Grade 7166Grade 8178Total Enrollment512

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	48.6
Male	51.4
American Indian or Alaska Native	0.0
Asian	1.0
Black or African American	0.6
Filipino	0.2
Hispanic or Latino	96.5
Native Hawaiian or Pacific Islander	0.0
Two or More Races	0.2
White	1.6
English Learners	14.3
Foster Youth	1.2
Homeless	0.2
Migrant	0.0
Socioeconomically Disadvantaged	74.2
Students with Disabilities	15.2

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement								
Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent		
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	18.00	75.00	290.90	84.51	228366.10	83.12		
Intern Credential Holders Properly Assigned	0.60	2.75	1.90	0.56	4205.90	1.53		
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	2.10	9.00	20.30	5.92	11216.70	4.08		
Credentialed Teachers Assigned Out-of- Field ("out-of-field" under ESSA)	1.50	6.25	11.90	3.48	12115.80	4.41		
Unknown	1.60	6.92	19.00	5.52	18854.30	6.86		
Total Teaching Positions	24.00	100.00	344.20	100.00	274759.10	100.00		

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement							
Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent	
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)							
Intern Credential Holders Properly Assigned							
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)							
Credentialed Teachers Assigned Out-of- Field ("out-of-field" under ESSA)							
Unknown							
Total Teaching Positions							

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	
Misassignments	2.10	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	2.10	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	
Local Assignment Options	1.50	
Total Out-of-Field Teachers	1.50	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	10.20	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	4.10	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <u>https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp</u>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the middle schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

Year and month in which the data were collected

December, 2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy

	Х					

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- 4. College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	49	N/A	39	N/A	47
Mathematics (grades 3-8 and 11)	N/A	26	N/A	22	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who met the standard standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	100%	100%	100%	100%	100%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

SSC- School Site Council

School Site Council meetings present opportunities for parents, teachers, students, and support staff to articulate and disaggregate data from assessment and instruction. Parents are invited to attend School Site Council Meetings on a designated Thursday at least six times per year. The meeting dates for this year as of now are as follows:

9/15/2022 10/13/2022 11/17/2022 1/26/2023 3/9/2023 5/18/2023

Think Together - After School Program in Recreation and Enrichment Provides academic support and recreation for those recommended students in 6th, 7th, and 8th grade. Academic support is provided by college tutors.

ELAC - English Learner's Advisory Council

The monthly English Learner's Advisory Council (ELAC) meetings are comprised of EL parents, teachers, and administrators. At ELAC meetings, parents are informed and given copies of state standards.

Community Partnerships

The STEAM Academy works in partnership with the local community, businesses, and educational institutions to enhance our students' learning experiences. These partnerships vary depending on the staff and relationships with outside entities. Currently, some of these partnerships include parents, local companies, and USC, among others.

Our school and district has built close partnerships with many service providers in the community to prevent substance abuse. For example, students from The STEAM Academy receive counseling from L.A CADA. STEAM facilitates, promotes, and hosts community events and activities with ERUSD and the City of Pico Rivera. Activities focus on concrete ways students can

2022-23 Opportunities for Parental Involvement

support their community. Some of the events and activities may include the following: each holiday season, STEAM Academy @ Burke has a Canned Food Drive; food baskets are donated to needy families in a food distribution program facilitated by the Pico RiveraWomen's Club. "Christmas in Baja" is an opportunity for students and staff to donate gifts that local community members take to children in Mexico. Other community involvement opportunities include: City of Pico Rivera March for Peace, American Cancer Society's Relay for Life at El Rancho High School, and Community Pride Day. Every day, at the beginning of second period, announcements are made notifying students of activities. These announcements are kept at a minimum in order not to disrupt the learning environment. Teachers also take a proactive role in establishing community connections.

DAC – District Advisory Council

This council is the same as the School site council, but on a district level.

DELAC – District EL Advisory Council

This council is the same as the English Learner's Advisory Council, but on a district level.

2021-22 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	542	529	132	25.0
Female	260	255	64	25.1
Male	282	274	68	24.8
American Indian or Alaska Native	0	0	0	0.0
Asian	5	5	0	0.0
Black or African American	3	3	2	66.7

Students with Disabilities	91	88	31	35.2

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.92	2.16	2.45
Expulsions	0.00	0.08	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2022-23 School Safety Plan

Safety Plan is reviewed with staff at the beginning of each school year during staff meetings and reinforced throughout the year as needed via performance reviews of drills. Key elements of the plan are preparation for fire, earthquake, active shooter, and hazardous materials. Fire drills are conducted several times a year and earthquake drills are conducted once a semester, emergency bin is inspected twice a year, and all fire extinguishers are checked once a month by custodian. Fire marshal and inspectors review school twice a year to ensure safety compliance.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	24	7	8	6
Mathematics	25	4	11	1
Science	29	2	6	6
Social Science	11	2		

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	9	9	4
Mathematics	25	4	10	2
Science	29	2	7	5
Social Science	13	2		

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	21	9	12	
Mathematics	22	7	9	
Science	23	4	11	
Social Science	8	2		

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	512

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	1.0
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	
Other	2.0

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$1,840.16	\$514.43	\$1,325.74	\$89,957.03
District	N/A	N/A	\$9,547.84	\$81,862
Percent Difference - School Site and District	N/A	N/A	-194.3	-6.8
State	N/A	N/A	\$6,594	\$83,102
Percent Difference - School Site and State	N/A	N/A	-191.8	-8.3

2021-22 Types of Services Funded

The following programs and services are available in the district to support and assist students:

- After School Tutoring
- Saturday School
- English Learner Literacy Support Class (ELLSC)
- Interim Assessments
- Math Cohort
- Language Arts, Mathematics Cadres
- Science, and Visual and Performing Arts Curriculum Councils
- Technology
- Accelerated Classes
- Project Lead the Way (PLTW)
- Positive Behavioral Interventions and Supports (PBIS)
- Robotics
- AVID (Advancement Via Individual Determination)
- Music
- Enrichment Courses
- Spanish Language Arts
- Promise Program
- ELPAC Academy

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <u>http://www.cde.ca.gov/ds/fd/cs/</u>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$49,700	\$52,478
Mid-Range Teacher Salary	\$75,337	\$80,810
Highest Teacher Salary	\$100,962	\$101,276
Average Principal Salary (Elementary)	\$128,937	\$127,080
Average Principal Salary (Middle)	\$130,688	\$134,264
Average Principal Salary (High)	\$138,676	\$147,200
Superintendent Salary	\$215,004	\$242,351
Percent of Budget for Teacher Salaries	32%	33%
Percent of Budget for Administrative Salaries	5%	6%

Professional Development

The district provides professional learning opportunities to meet the needs of administrators, teachers, and support staff at all levels of the organization: Beginning Teachers Support and Assessment (BTSA); Peer Assistance Review (PAR) for veteran teachers; District and site administrators; Teachers and support staff; and Digital Learning Coaches.

The focus during the professional learning opportunities includes the use of technology resources and platforms, instructional best practices, social-emotional learning and mental health practices, data analysis, and teacher collaboration and planning.

Professional development is determined by in-depth data analysis and aligned to the instructional focus areas. English learners and special population training are offered on-site and at the district level as needed. In addition, teachers and support staff also have the opportunity to participate in virtual workshops or conferences.

Traditionally, the analysis of data led to the identification of professional learning priorities. Whole group instruction, small group differentiated instruction, and designated English language development supported strengthening language arts instruction at the elementary level. Professional learning in mathematics focused on the Standards for Mathematics Practice, in conjunction with problem-solving and modeling and data analysis at the middle school level. At the high school, professional learning was prioritized for the Expository Reading and Writing Course which develops students' academic literacy in rhetorical and analytical reading, writing, and thinking. All schools participated in professional learning opportunities centered on data literacy. Professional development has traditionally been provided during modified day schedules, pupil-free days, release days, and conferences/workshops outside the district. Professional learning is supported through in-class coaching, teacher-principal meetings, observations, and demonstration lessons.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject		2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	12	12	12
