Birney Tech Academy
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. - For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/. - For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/. - For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message
We welcome you to Birney Tech Academy. Our school is located in Pico Rivera, a small community where many teachers and classified staff grew up and/or currently reside. We are committed to high academic standards. Our supportive learning environment allows every student to develop a positive self-concept and passion for lifelong learning. Every member of our learning community contributes to the development of each student. Our goal is to prepare students to succeed in a complex, global society by focusing on communication, technology, cultural diversity, and critical-thinking skills.

We have approximately 350 students this year, 16 teachers, and support staff and parent volunteers that help students achieve academically and socially.

Family partnerships are highly valued. Parents are encouraged to participate in their child's education in a variety of ways. Besides supporting learning at home, parents participate at school as volunteers, decision-makers, and leaders. Our uncompromising vision affirms that in working together, all students at Birney will achieve their highest potential.

School Mission Statement
The mission of Birney Tech Academy is to create a challenging learning environment that promotes excellence, encourages high expectations for success through a rigorous curriculum, and promotes a safe, caring and supportive school environment that will prepare students to become lifelong learners to succeed academically, intellectually, socially, emotionally, and culturally through the support of our parents, teachers, and community members.

School Vision Statement
Birney Tech Academy will serve as the foundation for the academic future of our students where we will use our resources, including innovations in technology, to provide the fundamentals of education for a diverse population. We will maintain a safe and disciplined environment for all students so that all students can achieve their ability.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements

Our campus was constructed in 1951. It is an attractive site that meets the needs of students and staff. We have a multipurpose room that serves as the cafeteria and auditorium. We have three playground yards: preschool/kindergarten, primary, and upper grades. We also have a very large field area that includes two baseball diamonds and a soccer field. Our library houses more than 4,500 books.

There are Chromebooks in every classroom, and all classes have Internet access. In addition, all students will have a chromebook at home as well. We also have iPads that are available for student use in the Innovation Lab. All facilities have handicap access, including the stage in our multipurpose room. In 2003, the community passed a bond measure to provide additional funds for modernization. All classrooms have been upgraded and are air-conditioned. All bathrooms, including staff, are upgraded and meet Americans with Disabilities Act (ADA) code. Students have access to an Innovation Lab that functions in several different ways. The outside of the school was painted and roofing work was done in the fall of 2021. We have two full-time custodians and a groundsman that maintains our school two days a week. Custodial hours are from morning to afternoon and afternoon to late night.

Student safety is one of our top priorities. We have a closed-campus policy and all guests/visitors are required to sign-in and wear a visitor's badge while on campus. All teachers, staff, and personnel have also been trained regarding our school safety plan that, in case of an emergency, can be implemented properly.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Birney is committed to providing students with every opportunity to reach their educational goals. To achieve these goals, it is necessary that a strong partnership is established with parents and guardians so they become an integral part of their child's learning experience.

The following are some of the opportunities for parents to become involved:
- School Site Council (SSC)
- Birney Dads Club
- English Learner Advisory Committee (ELAC)
- Parent Education workshops and informative meetings such as Title I Parent Meeting, How to support your child at home, Mindfulness Yoga Nights
- Parent Volunteer Program
- Attendance at Back-to-School night, Parent Conferences, Award Assemblies, and Family Workshops/Nights.

For more information on how to become involved at the school, please contact Principal, Sandra Gallegos at (562) 801-7600.

2023-24 School Safety Plan

Our School Safety Plan is reviewed and updated each year. The School Safety Plan was last reviewed and updated and approved in February 13, 2023. The Plan is located in the principal's office. The plan includes procedures for disaster drills, distance learning, crime reporting, medication administration, child abuse reporting, schoolwide dress codes, and rules and procedures for school discipline. To ensure safety, our campus is closed. All gates surrounding our campus are closed between the hours of 7:00 a.m. to 2:45 p.m. Visitors are required to sign-in, using the Raptor System at the office, and to wear a visitors' badge if they have business at the school. Before school begins, there are teachers on duty and a supervisor is in the cafeteria. During recess, there are also at least two staff on yard duty per playground. At lunch and lunch recess, noon aides supervise the cafeteria and playground.

Professional Development

The district provides professional learning opportunities to meet the needs of administrators, teachers, and support staff at all levels of the organization: Beginning Teachers Support and Assessment (BTSA); Peer Assistance Review (PAR) for veteran teachers; District and site administrators; Teachers and support staff; and Digital Learning Coaches. Professional development is planned and implemented in a variety of settings, which include course-alike, department based, site based, and district-wide. Our school has an early release/late start schedule, where they have an opportunity to collaborate weekly. In addition,

Professional Development

there are five student free days built into the district calendar for districtwide professional development. These days are critical in building teacher and staff capacity with current and relevant pedagogy, curriculum, and data.

Professional development is determined by in-depth data analysis and aligned to the instructional focus areas. English learners and special population training are offered on-site and at the district level as needed. In addition, teachers and support staff also have the opportunity to participate in in person or virtual workshops or conferences.

Traditionally, the analysis of data led to the identification of professional learning priorities. Whole group instruction, small group differentiated instruction, and designated English language development supported strengthening language arts instruction at the elementary level. Professional learning in mathematics focused on the Standards for Mathematics Practice, in conjunction with problem-solving and modeling and data analysis at the middle school level. At the high school, professional learning was prioritized for the Expository Reading and Writing Course which develops students' academic literacy in rhetorical and analytical reading, writing, and thinking. All schools participated in professional learning opportunities centered on data literacy. Professional development has traditionally been provided during modified day schedules, pupil-free days, release days, and conferences/workshops outside the district. Professional learning is supported through in-class coaching, teacher-principal meetings, observations, and demonstration lessons.

This table displays the number of school days dedicated to staff development and continuous improvement.
